Gage Park High School
5630 South Rockwell
Chicago, Illinois

Dear Graduates of '81 and Students:

Every Gage Park student should excell in some activity or class! Like an astronomer, who after years of searching the sky is happy to identify a new star, you should find your greatest satisfaction in discovering new interests, forming new friendships, developing leadership skills, and learning sportsmanlike conduct. All this is based on self-discipline, recognition of the rights of others, and gaining self-respect from studying hard and giving of your time and talents.

All the rest of your life your memories from high school will be a "reference point." I hope you have made these few precious years count and you have taken advantage of the resources around you.

Best Wishes and God Speed!

(Dr.) Carol A. Petto

Dear Mike — Enjoyed working with you Hope I. James Hardy. Charles Peters

Mike,
We had great times in school. You've been a good friend and I hope it continues throughout Senior year. Stay as crazy as you are because that's the way we know you best. Good luck in the future. Keep in touch and have a great Summer. Watch your grades.

Your friend,
Donna Kalafut

If you don't change your lock by next year, you're in a big surprise on May 1, 1982. Even better than this year. The "crazy" part was not meant as an insult.

P.S.

Mike,
You are the craziest person I know. I like you anyway. Have a nice summer. See ya in Senior Hall.

Michael (mike)
It's been a really interesting year: You've been a real nice friend. There were times when you got me so mad I felt like giving you a hard kick (or two) but that's all forgotten. I'm sure you've felt like slugging me a couple of times too! But anyways, Thanks for being such a nice friend. Good Luck in your life and in the things you do. Stay Sweet.

Love Mary Lou

P.S. - Sorry about ~~last~~ what I wrote in last year's yearbook I hope you (and your mother) weren't offended.

Merry Christmas.
